ABOUT US

Pasadena wouldn't be Pasadena without the Boys and Girls Club, and the Boys and Girls Club wouldn't be the Boys and Girls Club without The Spot!

OUR MISSION

Our main goal is to enrich the lives of teens, ages 13-18, as well as promote healthy lifestyles through learning, creativity, and good wholesome fun. We help teens develop the skills necessary for life by helping them build self-assurance, and develop leadership skills while reinforcing positive values that will help them later on in life.

We feel the need to make sure teens feel welcomed to the the Boys and Girls Club, so we encourage them to become an official member of, a domain they can call their own.
